

Uniclass 2015

PM – Project Management Table v1.7

January 2020

General changes

We have added one new code in the subgroup for procurement and we have carried out an exercise to ensure that we are consistent in our classifications, and that the classifications are in accordance with Oxford Dictionaries (published online by Oxford University Press). This has involved the amendment of classifications, without changes to the codes.

See below for details.

Particular changes

v1.6 Code	v1.7 Code	Classification	Notes
	PM_50_50_12	Tender programme	Project management code added.
